

STATISTICAL RESEARCH PUBLICATIONS

The Investment Company Institute is the national association of U.S. investment companies, including mutual funds, closed-end funds, exchange-traded funds (ETFs) and unit investment trusts (UITs). Through the years, our members have relied on us for accurate, current information. In addition, we are a respected source of information for the news media, regulatory agencies, state governments, and the investing public. The information we provide is in-depth, readable, and reliable.

Subscribers receive publications via electronic delivery and have access to statistical reports on the ICI website (<http://www.ici.org>)

Trends in Mutual Fund Investing

Monthly news releases with accompanying tables describing mutual fund sales, redemption, assets, cash positions, exchange activity, and portfolio transactions for the period by investment objective. A quarterly report provides statistics on mutual fund asset composition, distributions and shareholder accounts.

Also includes access to monthly ETF news release and tables.

Annual Subscription Fee: \$600

Supplemental Tables

Monthly mutual fund tables that supplement the "Trends in Mutual Fund Investing" report. Contains assets, new sales, redemptions, and exchanges classified by investment objective within method of sale for the current and previous years.

Annual Subscription Fee: \$400

Complex Asset Report

Monthly listing of long-term mutual fund and money market fund assets under management by complex.

Annual Access Fee: \$500

Weekly Money Market Fund Assets

Weekly news release and report on money market assets by type of fund with historical data back to January 2007.

Annual Subscription Fee: \$250

Weekly Estimated Long-Term Mutual Fund Flows

Weekly news release and report that provides aggregate estimates of net new cash flows to equity, hybrid, and bond funds with historical data back to January 2008.

Annual Subscription Fee: \$250

Exchange-Traded Fund (ETF) Report

Monthly news release with accompanying tables on assets, share issuance, redemptions and number of exchanged-traded funds (ETF) by investment objective.

Annual Subscription Fee: \$300

Closed-End Investment Companies

Quarterly report includes information on total net assets, number of funds, share issuance and number of shareholders by investment objective

Annual Subscription Fee: \$300

Unit Investment Trusts

Monthly report that includes value and number of deposits of UITs by type, maturity and insurance feature. Also includes an annual report of the value of outstanding UITs.

Annual Subscription Fee: \$200

Institutional Shareholder Report

Annual report includes mutual fund asset information for various types of institutional shareholders, broken out by broad investment classification.

Annual Subscription Fee: \$400

Mutual Fund Assets in Retirement Accounts

Quarterly report includes individual retirement account and defined contribution plan assets and estimates of net new cash flows to retirement accounts by type of fund.

Annual Subscription Fee: \$500
